

Introducing Barbara Passaris

author of

Through *Tempest* Forged

About The Author...

Barbara Passaris is a teacher, amateur historian and now a debut author. She is a member of the *Historical Novel Society*, *Romance Writers of America* and *Fiction Writers of America*.

Although Barbara currently resides in Utah with her husband and children, she was raised in Commonwealth of Virginia and is no stranger to the important history that courses through its veins.

About The Book...

Through Tempest Forged is a stirring tale of love, lust, honor, dishonor, treachery, deceit, and political intrigue. A very engaging story with shocking twists and unsettling turns, where life and death are constant companions, where nothing and no one will ever be the same. Whether your preference is historical fiction or historical romance, *Through Tempest Forged* offers the perfect blend of both and will not disappoint!

Community Press asked Barbara why she wrote the book and why she believes people will want to read the book ...

Through Tempest Forged is laced with colorful characters, witty conversation, factual people and fictitious ones, too. Love blooms amidst uncertainty, sealing the bonds and ties of a people, carrying them through their darkest hours. There are battles, victories, defeats, menacing threats. This era is so thoroughly researched and narrated, that the reader will be *more* than entertained. The reader will be enlightened to the history surrounding the Revolutionary Era of America. All of this is accomplished with the conversations, goings on, and events surrounding the Rogers Family of Virginia.

Through Tempest Forged will sweep your mind away to colonial America. You will experience the elation of a newly proclaimed nation and the horrors of war. You will feel connected to the love that envelops a family and the impenetrable bond between Elizabeth and Paul Rogers. You will truly experience their lives and enter their world as they welcome you to the new United States of America.

If you'd like to experience the thrill and danger of being caught in the clutches of a forbidden love, or of a passion so great that it is breathed into your life's very essence; If you long to experience battles with blood and glory; If you'd like to feel part of something that changed the world forever ... *Through Tempest Forged* is the book you know you *must* read!

Barbara Passaris

Endorsements...

“Sometimes a book comes through that you can’t put down. The excitement is there, the drama is there, and you care about what happens to the characters. This is such a book. We thoroughly recommend this to any reader who wants a novel with it all!

Our only complaint is that the sequel is not available yet. We can’t wait for the next installment!”

Kathleen Boardman
The Top-of-Utah Readers’ Club

Review Copy Information

Community Press welcomes all reviews on any of our books. If you have not already received a galley or a review copy of a particular book and are in need of one, please contact us. We will be happy to answer any questions and send a galley or review copy.
